1 See Steven Pinker, *The Blank Slate: The Modern Denial of Human Nature* (New York: Viking, 2002), pp 24, 26-27; and M F These are not the words of a believer in the blank slate. Montagu advocated biological determinism both as a term and as a concept. So, I had traced Montagu's first embrace of biological determinism to 1942, and I

### **Tabula rasa - Library of the U.S. Courts of the Seventh ...**

Roman tabula or wax tablet with stylus. Tabula rasa. From Wikipedia, the free encyclopedia. Tabula rasa, means "blank slate" in Latin and originates from the Roman tabula or wax tablet used for notes, which was blanked by heating the wax and then smoothing it, to give a tabula rasa[1]. This equates to the English term, "blank slate" (or more literally, "scraped tablet") that refers to writing

### **'Tabula Rasa' and Human Nature**

blank slate.<sup>3</sup> Brill's text has been superseded as a characterisation of psychoanalysis; indeed, it has been argued by Forrester precisely that 'in Freud's account, the child is not a passive tabula rasa' but rather begins with a range of intersecting and countervailing properties and propensities.<sup>4</sup> Nonetheless, Brill's influence lingers in the

### **John Locke**

Locke introduces the "tabula rasa" (blank slate) picture of the mind - written on by experience - he argues that we are like a blank slate when born - we have the potential to know things but nothing is written on the board yet. This is consistent with the examples above - children begin knowing nothing beyond certain physical needs and

### **News from the Field Continued from page 4 A Review of the ...**

The Blank Slate, is also clearly at odds with the triple mantra of contemporary social science, modernism, and post-modern philosophy. This so-called "Holy Trinity," which arose out of the Enlightenment, regards the newborn human being as a "Blank Slate" without inborn limitations or inequalities. It also espouses concepts such as

### **fifl Hours - Porchlight Books**

The Blank Slate of Time. Laura Vanderkam. Info 2/9. It is an unquestioned truth of modern life: we are all starved for time. With the rise of 2-income families, extreme jobs, and the ability to log on to the world around the clock, we can barely find time to breathe.
